Thanks for the quick review Brian!

Agreed, it's likely a bit wordy, but I'd like to see Monica and Scott's thoughts too. Then get it to Rich -

Also, your prior email that considered the information in the PM₁₀ modeling results, when looking at the No-Action and Preferred Alternative, may also be helpful for Rich to know. For the Desk Statement I tried though, to only address what we presented in our comment letter.

Monica – might be good to have a version of the draft Desk Statement to discuss/share with Rich if he comes to your Tuesday morning Air Program management meeting.

Thanks Tim. Looks fine to me but Rich may want it streamlined down a bit to pull out the key messages from each bullet. It might be good to send it to him and ask if he needs anything further.

Subject: Draft Desk Statement: EPA's I-70 East Project Comment Letter of 1-12-2017

Hi Folks,

I've prepared a draft Desk Statement (please see the attached Word file) with regard to our 1/12/2017 I-70 East Project comment letter (please see the attached .pdf file of the comment letter). Please review the draft desk statement and let me know of any needed changes/edits. We'll then need to get this to Rich Mylott.

Thanks!
